

# INVISIDECK®

## Hidden SCRAIL® SYSTEM

NEW INVISIDECK™ Hidden Scrail Fastener System eliminates visible deck fasteners and creates flawlessly smooth deck board surfaces in dramatically less time and lower labor cost.

INVISIDECK™ Hidden SCRAIL® I-CLP Clips engineered for use on:

- Azek Decking
- Evolve Decking
- Gossen Decking
- Guardeck Elite
- Guardeck Prestige
- BrahmaDeck
- Other Grooved Boards
- Non-grooved boards slotted with the INVISIDECK™ Groove Cutter

### INVISIDECK™

#### Hidden SCRAIL® SYSTEM for Grooved Board Applications

- Installs I-CLP Clips 3-5 times faster than conventional installation
- Saves time and labor cost
- Improves the appearance and value of the deck
- Easily installed, quickly removable
- Fits many grooved boards on the market
- Adaptable to non-grooved boards both composite and exotic hardwoods with "Groove Cutter"

#### INVISIDECK™ I-CLP Clip

Heavy gauge stainless steel fastener for use in 1" (25 mm) or thicker pre-grooved decking or non-grooved boards with INVISIDECK™ Groove Cutter
